

**REDLEAF®**

**Redleaf Symposium**  
**23rd & 24th June 2010**  
**Brisbane, QLD**

Redleaf hosts an annual National Symposium in Brisbane QLD for diversional therapists and those interested in lifestyle and leisure issues in the aged care sector (both community and residential). This event focuses on best practice approaches, contemporary practice ideas and provides a quality forum for the exchange of ideas and networking.

The 2010 theme is:

**Connect**

- ..... through quality dementia care
- ..... through innovative activities & programs
- ..... through better practice approaches

A full program will be available Feb. 2010 ~ please visit our website. Early bird registration will be available.
